

Review on support to sports model

The Special Sub-committee on Sport Support has met twice. Comprising Professors Chan Kai-ming (Chairman) and Frank Fu, Herman Hu, Jonathan McKinley (HAB representative) and three representatives from the Sports Federation and Olympic Committee of Hong Kong including Victor Hui, Tony Yue and Vivien Fung, the sub-committee will review the existing model of Focus Sports as well as its criteria in hopes of providing a broader base for the overall development of individual and popular/team sports in the territory.

A detailed report will be submitted to the SDB six months after the first meeting of the sub-committee in July.

Excellence in Sports Marketing Awards

The Excellence in Sports Marketing Awards 1998 has entered its final stage with 12 outstanding sports marketing programmes in seven sports, including athletics, football, golf, mountaineering, rugby, squash, and tenpin bowling, being shortlisted under four categories. A prize presentation is to be held in October to recognise the contribution of sponsors of the programmes, their respective NSAs and event promoters.

The support of NSAs has played an important role in making the Awards a success and contributed to the professionalism of sports development in Hong Kong. Look forward to seeing you at the presentation!

Annual round of meetings between SDB and NSAs

To facilitate the process of Block Grant allocation for 2000-2001, the SDB will invite NSAs to submit:

- a yearly plan that covers all aspects of NSAs' programmes in 2000-2001.
- a progress report of the agreed performance targets from Oct. 1998 to Sept. 1999.

- a set of new performance targets for Oct. 1999 to Sept. 2000 in accordance with individual NSA's Four-year Development Plan (1999-2003).

All the aforesaid documents should be forwarded to the SDB before 30 Sept. 1999. The annual round of meetings between the SDB and NSAs will be conducted in October to discuss thoroughly on the above issues. For inquiries, please contact your respective Sports Development Managers.

Major local international event

A total of 11 major local international events will be supported by the SDB in 2000-2001. A maximum subvention of HK\$550,000, subject to the final approval of the Arts and Sport Development Fund, is to be granted to the respective NSAs on condition that the event is not underwritten by the International Federation or a sports promotion agency. It is always the Board's intention to support local international event in a bid to raise the profile of sport in Hong Kong, and provide local athletes with more opportunities to take part in major competitions.

Information update for NSA Directory

A letter requesting updated information for the coming issue of the NSA Directory was sent to individual NSAs. Please update the information and fax it back to us as soon as possible. For inquiries, please contact Grace Fung of the Public Affairs Department at 2681 6371.

Outstanding junior athletes announced

Three promising youngsters have won the SDB Outstanding Junior Athlete Awards for the second quarter of 1999. They are squash player Kwong Yu-shun, disabled athlete Lau Mei-yu, and table tennis player Wong Ching. Congratulations to all three winners. Nomination for the third quarter is now open and NSAs are requested to submit their nominations before the end of September. For inquiries, please contact Mabel Shung of the Elite Training Group at 2681 6359.

Coach education programme for teachers

The 1999 Hongkong Bank Foundation School Coach Education Programme was successfully completed in July. A total of 102 teachers from either primary or secondary schools took courses in badminton, basketball or table tennis. Jointly presented by the Hong Kong Coaching Committee and the respective NSAs, the programme aims to provide teachers with adequate coaching knowledge in specific sports to train up their students. NSAs interested to join the programme could contact the Coach Education Department at 2681 6289.

Internet knowledge

Over 60 staff from 37 NSAs attended an Internet web page creation workshop, organised jointly by the Sports Information Department and the Management Information Department. Participants took part in a hands-on session following an introductory lecture on general knowledge of Internet. More than 95% of the participants replied in a questionnaire that they were confident in creating their own web page after the workshop. Should any NSA need further assistance, please contact the Sports Information Department at 2681 6130.
