September 2000

## New Streamlined SDB Structure

To tie in with the Board's policy to streamline the organisational structure, with immediate effect, the following changes have been made effective:

- The finance and management information functions come directly under the Chief Executive with Godwin Fung retitled Head, Finance.
- Dr Chung Pak-kwong assumes the position of Director, Elite Training and Sports Development Group looking after both functions with Margaret Siu takes up Head, Sports Development.
- Grace Lee assumes the position of Director, Corporate Affairs Group overseeing the functions of corporate management and marketing and communications.

The new management is looking forward to serving all NSAs and hoping to have your continuous support in the future.

## Support Hong Kong Athletes through 'medals.hangseng.com'

As part of the Hang Seng Olympics and Paralympics Athlete Incentive Awards Scheme, a website 'medals.hangseng.com' has been launched by Hang Seng Bank, with the support of the SDB, for the public to pledge their support to our athletes attending the Sydney Games.

NSAs are invited to join the public together with government officials, sports officials, celebrities and retired athletes to send their messages of encouragement to the Hong Kong delegation. Athletes are also using this opportunity to share their

feelings on participating in the Games. To arouse public interest, there are quizzes and sports games for web surfers to win fabulous prizes.

Please render your support now and be a part of what could be the biggest and strongest cheering team.

## Special grant for preparation of the National Games 2001

Development Sports are invited to submit applications for the above special grants supported by the Arts and Sport Development Fund. This grant, which aims at preparing athletes for improved performance at the Games, covers expenses on employment of short term performance coaches, purchase of sports equipment, additional national squad training (local and overseas) and overseas competitions. NSAs are required to submit a Training Plan with athletes'/teams' achievements on or before 16 October 2000. For enquiries, please contact respective Sports Development Manager.

## Promotional opportunities for NSAs

SportScene, the quarterly magazine produced by the SDB for the development of sport in Hong Kong, provides an extra channel for NSAs to promote their sports to the public and to recognise their sponsors. NSAs are most welcome to make full use of this opportunity. Please discuss with respective Sports Development Managers for details.

## Outstanding Junior Athlete Awards

Nomination of the Award for the third quarter will be closed on 7 October 2000. NSAs please forward your submission, if any, to Mabel Shung of the Elite Training and Sports Development Group (Tel: 2681 6359).
