### A. General Guidelines

1. Categories of grants will be based on the performance of the applicant in the previous two years, if the result has not been used for previous grant eligibility criteria.
2. Results achieved from demonstration events would not be considered.
3. “Minus-one rule” will be applied to results achieved at Paralympic Games, IPC World Championships, and World-level events (e.g. IPC World Cup Finals) which require qualification.
4. Results should be achieved by athletes who were representing Hong Kong at international events with a minimum entry of four countries/regions.
5. Athletes receiving grants should meet the three-year residency policy.
6. For athletes not fully meeting the required level of performance, but fulfilling either one of the following three conditions, the same results could be considered for support for a further 12-month period maximum:
  - 6.1 Documented injuries, illness, and/or pregnancy, preventing training or competitions
  - 6.2 Lack of equivalent events due to the intervals of the relevant major competitions (i.e. Paralympic Games, Asian Para Games, World Championships, Asian Championships), on the condition that athletes must have taken part in at least one other competition during the year

6.3 Athletes fulfilling ALL the following considerations:

- (a) Pre-requisite: Recommended by the relevant National Sports Association and Coaching Supervisor
- (b) Athletes with track record (meet either one of the following):
  - (i) Achieved top eight positions in the Asian Championships/equivalent events in the previous calendar year
  - (ii) Achieved top ten Asian ranking/top 30 world ranking in the previous calendar year

*(For the condition 6.3 above, athletes would be granted such approval once in their sporting career and funding for these athletes would be fixed at the standard level, in order to maintain parity within the system.)*

7. Athletes' result which has marginally missed out the "top one-third" rule by only one entry in the competition, could be considered for support under the related category. However, athletes applying to use this condition would only be granted approval once in their sporting career and funding for these athletes would be fixed at the standard level, in order to maintain parity within the system.
8. For team events (e.g. relays), athletes who have taken part in the competition (any round) are eligible for grants.

  - Athletes cannot fulfill training/competition requirements
  - Misconduct/disciplinary problems of the athletes  
*(Please refer to Annex I, Disciplinary Procedures)*

2. One month's notice will be given to the athlete in general, with respective NSAs' endorsement.
