Elite Athletes Performance Recognition Scheme

Application Guidelines for 2020/21

Objective

- To recognise athletes' dedication to sport and their achievement in representing Hong Kong in major games and competitions, the Government has established the Elite Athletes Performance Recognition (EAPR) Scheme under the Hong Kong Athletes Fund (HKAF), aiming to provide a one-off grant for retired athletes as an enhanced support for their future post-athletic career development.
- In the 2019-20 Budget, the Government announced the injection of HK\$250 million into the HKAF to increase scholarship awards in support of the dual career development of athletes, and provide more cash incentives for full-time athletes when they retire from sports. Subsequently, the Finance Committee of the Legislative Council approved the injection of \$250 million into the Hong Kong Athletes Fund to enhance the dual career development and retirement support to athletes at its meeting on 17 July 2020. To this end, the enhanced EAPR Scheme will be made available to eligible athletes with effect from the first vetting cycle of 2020/21, with details as follows: -

Who can apply?

- To be eligible for support, an athlete must satisfy all the following criteria:
 - has officially retired from the National Squad on or after 1st January 2015; **and**
 - has achieved Elite Vote point 4 or above according to the EV Scoring Table (i.e. medalist (> 9 entries) or top 1/3 (≤ 9 entries) in the Asian Senior Championships, or equivalent, or above.). Results of junior championships will not be considered; **and**
 - has undertaken full-time^{1,2} training for at least 8 years (i.e. 96 full months in total); **and**
 - has resided in Hong Kong for a minimum of three years and is a holder of the Hong Kong Identity Card
- Status of retirement of the athlete will be checked and confirmed by the Hong Kong Sports Institute, with endorsement from the Head Coach/ Supervising Coach of the sport and the respective NSA³.
- Each athlete is only eligible for the EAPR Scheme **ONCE** during his/her sporting career.

The Grant

- A one-off cash grant will be provided to eligible retired athletes and the level of cash grant is based on the number of months of the highest Elite Training Grant per month (the current level is \$41,030 per month) and adjusted according to the EV levels achieved and the length of full-time training received by the athletes, details of the level of cash grant are tabulated as follows:

Years of Full-time Training EV Score attained	Level of cash grant (based on the current level \$41,030 per month)		
	8 – 9 Years	10 – 11 Years	12 or more Years
4 points	6 months (HK\$246,180)	9 months (HK\$369,270)	12 months (HK\$492,360)
5 points or above	12 months (HK\$492,360)	18 months (HK\$738,540)	24 months (HK\$984,720)

Important Notes

- Athlete will be required to provide documents to support the period of full-time training claimed and to verify the related information if requested.
- Before their retirement, every completed full year (i.e. involving 12 full months) that the athletes committed in full-time training will be accumulated as their length of athlete career. If an athlete is temporarily suspended from full-time because of health, injury or other reasons as recognized by the NSA and Head Coach/ Supervising Coach, the previous full-time training period could still be recognised for the purpose of the EAPR Scheme upon retirement.

Application Procedure

Application is open all year round and has to be submitted within 2 years from the applicant's official retirement date. Late applications will not be considered.

- Step 1:** Complete the application form (application forms can be downloaded from the HKSI website: www.hksi.org.hk)
