

Wilson CHAN

**Senior Manager - Incubation Programme Management / Acting Head of
Entrepreneurship**

Hong Kong Cyberport Management Company Limited

Mr Wilson CHAN is the Director of Entrepreneurship at Cyberport, overseeing the operation of entrepreneurship programmes and services for digital technology startups. His team leverages Cyberport's extensive resources and industry partnership networks to accelerate start-up growth and business success. Wilson brings his first-hand entrepreneurial experience from co-founding retail ventures, alongside a commercial foundation developed during his earlier career in financial services, and has served the Hong Kong ICT industry for over a decade. He also serves as a committee member of a university's angel investment fund. Wilson holds a BBA from HK PolyU and an MBA from HKU.
